What makes SXXX special?

SXXX customizes personalized booklists based on readers' preferences. This unique service offers readers a plethora of possibilities at a low cost. SXXX also has a large selection of free books, and of course, readers can also use coupons or gold coins to support their favorite authors and their works.

SXXX's income system is secure and transparent, and authors can monitor the support they have received from readers.

At SXXX, every reader is valued, and they feel a sense of belonging. Furthermore, as they read, they can comment on the books they are reading and offer the author advice. In this way, they can interact with authors and fellow readers from around the globe.
